

## **Covid 19 Policies**

Murray County Recreation Dept.

- If you have received a positive test, and are sent home from school for being positive, you may not return to play until you are eligible to return to school.
- If you have been exposed and are NOT experiencing symptoms, then you are okay to participate.
- If player/coaches/family are experiencing any symptoms at all, please do not come to the game or event.

We want to keep everyone one as safe as possible through this time, no sport or activity is more important than our children's safety.
